- 7 Where the sun, moon and stars are (6)

Days of Creation Craft

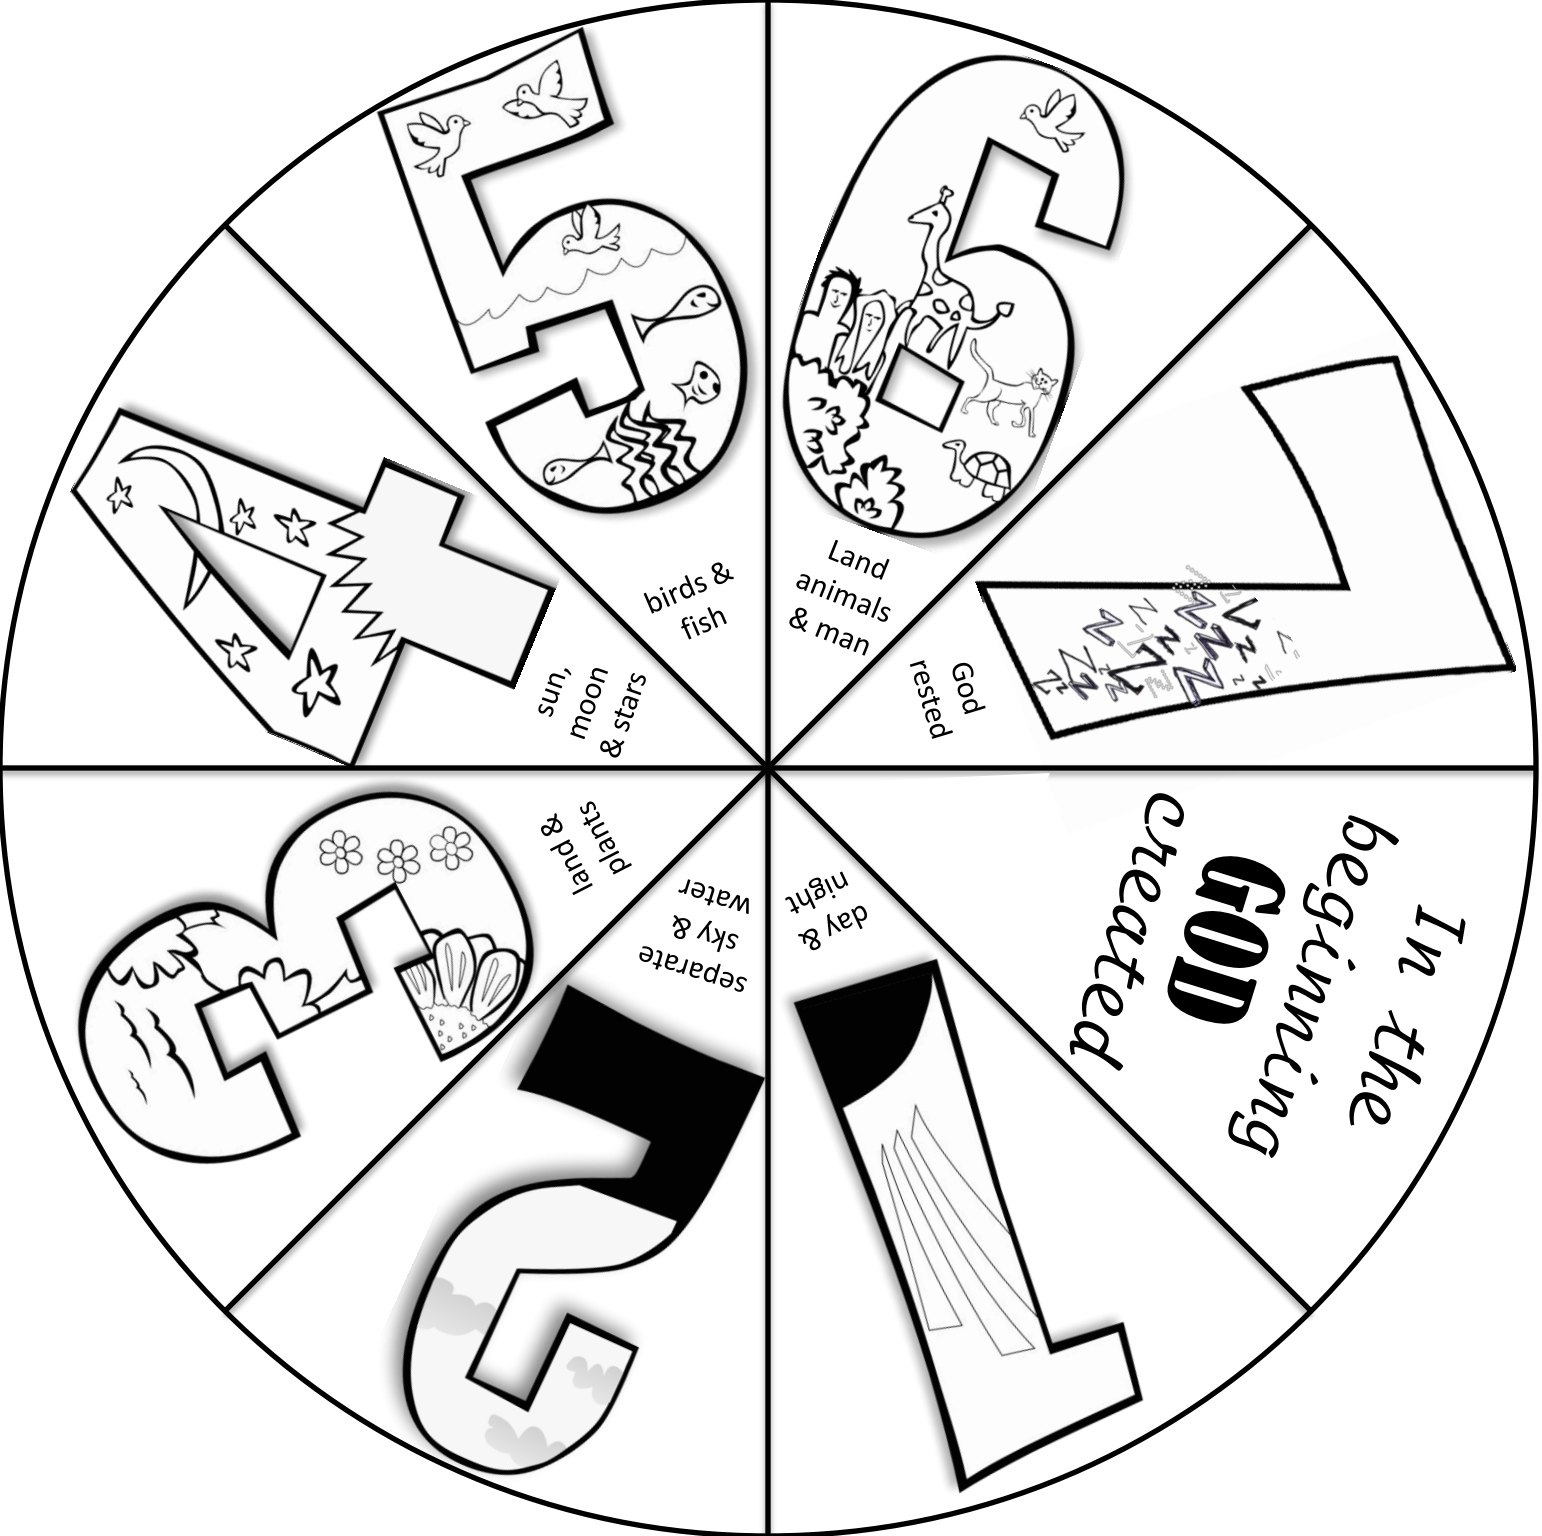

https://www.123homeschool4me.com/creation-craft-for-kids_36/

- Print the pdf file that opens in color or black and white. You will need the 2 page printable for each student in your family or class.
- Next, simply cut out the number circle page and the days of creation cover circle.
- Then, cut out the little slice from the cover so you can see the seven days of the creation as you spin it around.
- Now have children color the printables days of creation coloring pages to make their project if you printed it in blackline. This is a great hands on, printable bible craft for toddler, preschool, kindergarten, first grade, and 2nd grade kids.
- Finally, stack the cover on top of the numbers circle and attach with a brad in the middle so the two pages are connected and will spin independently. This way kids can practice and learn what happened on each day of creation from Genesis.
