

## **Moses and the Burning Bush - Blow Paint Craft**

**How to Make the Burning Bush Blow Paint Craft:**

1. Color the picture of the bush using colored pencils or crayons.
2. Dilute some yellow, orange and red paints (acrylic, watercolor, food coloring, etc) so they are very runny. Dip your brush in the paint and then hold it over the bush picture until the paint drops on the picture.
3. Use a straw to blow the paint in different directions to make it look like flames.
4. Let the paint dry. Your burning bush craft is completed.
